

BAYS Memorial Garden Community Meeting October 12th, 2019, 1PM

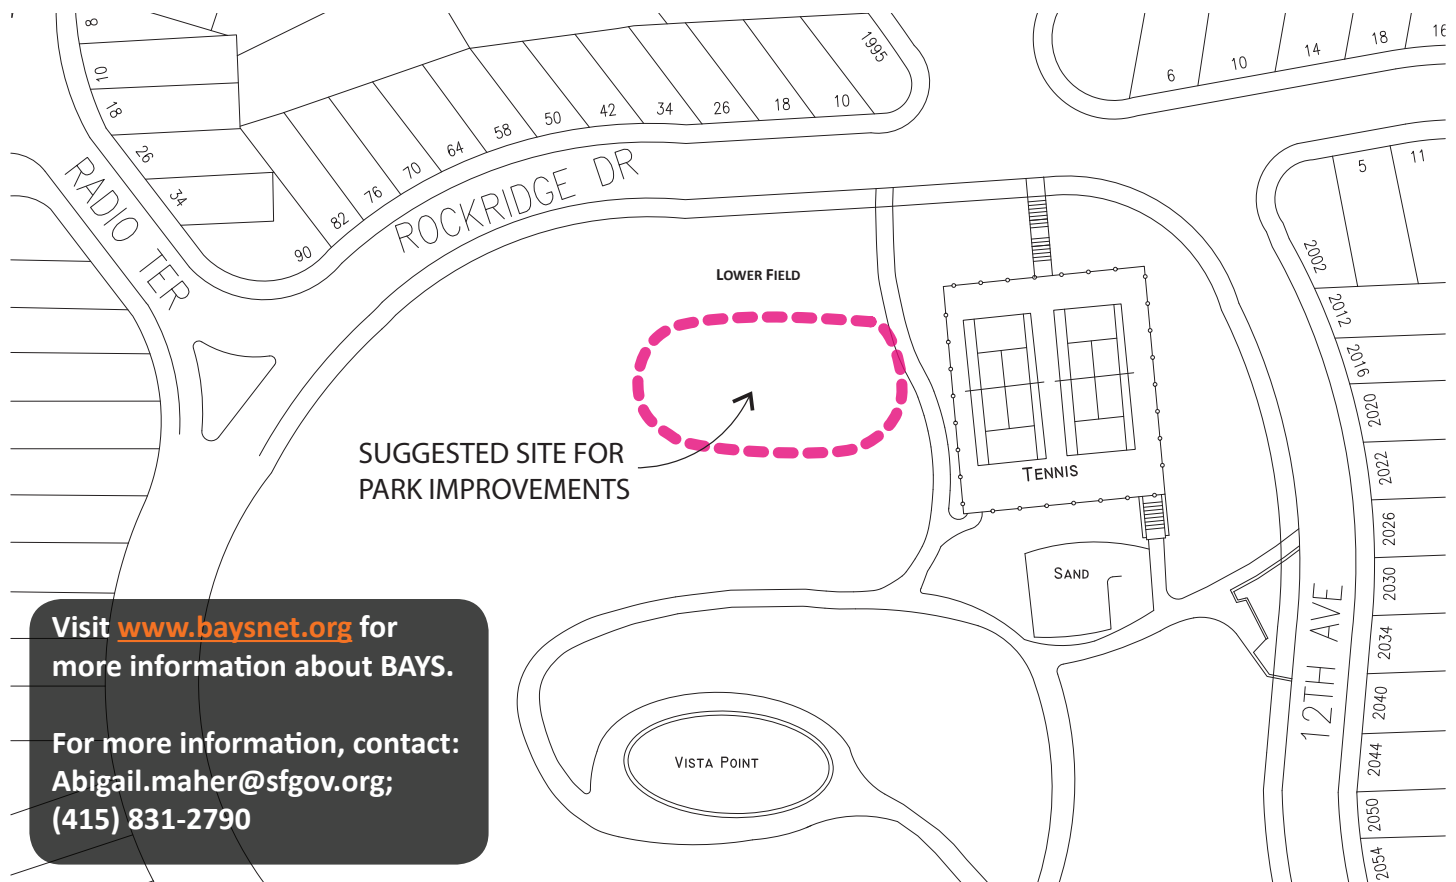

Golden Gate Heights Park - Lower Field - Rockridge Dr.

Hello Neighbors of Golden Gate Heights Park - we would like to introduce ourselves - BAYS is a support group for young women in the Bay Area diagnosed with breast cancer under age 45. We are working with San Francisco Recreation & Parks Dept (SF Rec & Park) on a proposed garden and seating area in the small group of young redwoods at the Lower Field of Golden Gate Heights Park. We would like to create a space where we can remember those whom we've lost to breast cancer. We envision it as a lovely and durable built-in seating area, and a place to contemplate and enjoy.

We are reaching out to you to get a sense of what the neighborhood and community would like to see as improvements in this area of the park. We would love to work together to achieve common goals! Please join us for a brief presentation and share your input and suggestions.

On Saturday, October 12th, 2019 please join us for:

- **1:00 PM Community Meeting: discuss park improvements & solicit neighborhood input**

Visit www.baysnet.org for more information about BAYS.
